# INSTRUCTIONS

- Step 1 : Print the patterns for both the upper and lining according to your shoe size by clicking the provided link.
- Step 2 : Trace the upper embroidery design onto the suede fabric.
- Step 3 : Apply beads as directed in the pattern.
- Step 4 : Create a braid or macrame panel using yarn and stitch it onto the upper following the pattern.
- Step 5 : Embroider the bird patch using sequins and beads, then attach it to the upper as indicated in the pattern.
- Step 6 : Apply fabric fusing to the upper panel and fold the edges neatly.
- Step 7 : Cut the lining panel and securely adhere it to the upper panel using a strong adhesive, ensuring to stitch the bottom edges for durability.
- Step 8 : Cover the insole with suede fabric for added comfort.
- Step 9 : Adhere the upper to the insole using a strong adhesive.
- Step 10 : Use the provided nylon thread to create a false stitch in the sole and attach it to the upper using a strong adhesive or directly stitch the upper part to the sole.
- Step 11 : Apply botties tags on the outside of your shoes.
- Step 12 : Your avi-berry trellis slippers ready to wear.

# TIPS & TRICKS

- Mark the centers on each panel while tracing.
- You can use colors of your choice to make your botties.
- You can incorporate a readily available patch from the market.
