INSTRUCTIONS

- 
- Step 1: Print the patterns for both the upper and lining according to your shoe size by clicking the provided link.
- Step 2: Trace the upper panel with the embroidery on canvas fabric.
- Step 3: Embroider the design using a punch needle and yarn of your choice.
- Step 4: Trace the toe panel onto jute fabric and cut it out carefully.
- Step 5: Apply fusing to all the upper panels.
- Step 6: Stitch all the upper panels together as directed in the pattern.
- Step 7: Trace the lining onto the matching suede fabric.
- Step 8: Attach the lining to the upper from the wrong side using the stitch and flip technique.
- Step 9: Add piping on the edges.
- Step 10: Create a loop at the top as directed in the pattern.
- Step 11: Cross the jute rope through the loop and stitch it at the bottom edges.
- Step 12: Cover the insole with lining fabric.
- Step 13: Adhere the upper to the insole using a strong adhesive.
- Step 14: Use the provided nylon thread to create a false stitch on the sole and attach it to the insole using a strong adhesive or directly stitch the insole to the sole.

Step 15: Paste the jute rope around the outer edge above the sole stitch.

Step 16: Apply booties tags on the outside of your shoes.

Step 17: Your floral espadrilles are now ready to wear.

TIPS & TRICKS

- Mark the centers on each panel while tracing.
- Secure the centers while stitching to prevent displacement.
